

**SUBJECT : HOW TO OBTAIN THE FRENCH “PASS SANITAIRE” (i.e. Mandatory health pass) for people who have been vaccinated in a country outside the EU. (Excluding French nationals) UPDATE 21/01/2022**

La Pharmacie du Solaise has the authorisation to deliver this PASS to a person who has been vaccinated in accordance with the French Vaccination Scheme. Please connect on <http://www.pharmasolaise.com> to know if you can ask for a pass.

In order to generate the QR code, the applicant will have to provide the following documentation:

- ID card or Passport
- The original vaccine certificate with the following mandatory information : name of the vaccine, lot number, place of vaccination.
- The proof of COVID (if relevant)

**For each request please clearly state the FIRST NAME AND SURNAME you want to appear on the pass** (many people have more than one first name or surname and we don't want to make a mistake).

**ONE REQUEST PER EMAIL**

No digital certificate will be sent by e-mail because it is illegal. The cost of the application is 36 euros to be paid when the applicant collects his certificate. Please send the applications by e-mail to [nastasia.vanstraaten@gmail.com](mailto:nastasia.vanstraaten@gmail.com) with all information and documentation attached in order for the pass to be ready when the applicant arrives in Val d'Isère. Due to extremely high demand please allow at least 72 hours to process the information and create the PASS. Be sure that all your documentation is on one email and clearly state the first name and surname you require on the pass. We CANNOT ACCEPT A SINGLE EMAIL FOR A WHOLE FAMILY.
